MARKETING PROJECTS

Yujia Creator Launch — Multi-Platform Growth Strategy & Vibe-Coded Portfolio

NYU Coursework • 2026

- **Audience Research & Persona Design:** Led a 6-person team through ethnographic research and built 4 audience personas across Instagram, TikTok, and Xiaohongshu.
- **Organic Growth Strategy & KPI Tracking:** Designed a platform strategy matrix and **30-day** organic activation plan with zero paid spend — grew the TikTok launch account from **13** → **2,025** followers with **12k+** likes and **15k+** total engagements across **18** posts in one month.
- **Data Visualization & Storytelling:** Vibe-coded an interactive deck and portfolio site (HTML/CSS/JS) with animated data visualizations translating the growth funnel into a client-facing story.

Mercedes-Benz GLC — Tactical Media Plan, Segmentation & Integrated Campaign Framework

NYU Coursework • 2026

- **Media Budget Modeling & Reach Planning:** Built a **\$25M, 296M**-impression tactical media plan across 4 audience moments (dating apps, CTV, YouTube, DOOH) for SF/LA/SD targets, ages **27–40**, **\$120K+** HHI.
- **Segmentation & Data-Driven Insights:** Repositioned GLC vs. Tesla by translating CA EV-adoption data into a segmentation and messaging framework the client team could act on; vibe-coded a segment-specific landing page prototype to activate it in-market.

Applebee's eClub — Customer Segmentation & Direct Marketing ROI Analysis

NYU Coursework • 2026

- **Customer Segmentation & Targeting:** Applied RFM segmentation to **400** eClub records — surfacing VIP (**\$391** avg spend, **18** visits/yr) and Loyal (**\$232**, **11** visits/yr) segments as primary targets; designed a 3-wave DM + email campaign reaching **100K** recipients within a **\$250K** budget.
- **Marketing ROI Modeling & SQL Dashboarding:** Modeled **\$205K** spend projecting **\$252K** revenue at **22.9%** ROI (email **+60%** / DM **+12.5%**); ran SQL queries to analyze campaign data and built a 6-KPI data visualization dashboard — targeting **≥17.2%** redemption rate, **≤\$11.92** cost per redemption, and **≥35%** 90-day repeat visit rate.
